

Support for schools

This list highlights the range of support schools can access from the Local Authority so children and young people remain at the centre of every discussion. Having the most up-to-date information helps keep the support accurate, responsive, and right for their needs.

- Click for the [SEN Support line](#) that provides advice directly to schools who have question about, or experience challenges in providing SEN Support.
- Click for the [SEN Support toolkit](#) designed to help Special Educational Needs Co-ordinators (SENCOs) and other school staff navigate the range of resources and support available.
- Click for the [HIAS Moodle](#), a page with fully funded with information on courses and free to access resources on to support leaders, teachers and support staff, better meet the needs of children and young people, including those with SEND.
- Click for the [Educational Psychology Service](#) who offer services to schools and a helpline for parents, as well as online resources.
- Click for the [Primary Behaviour Service](#), a dedicated team of experienced practitioners, provide the services and support to Hampshire primary schools.
- Click for the [Inclusion Support Service](#) who work to ensure that all children have access to education. They focus on attendance, Children Missing in Education, Elective Home Education, Exclusion from School and Reduced Hours Provision (part-time timetables).
- Click for the [School Nursing Service](#) which is now called 0-19 Health Visiting and Community Public Health Nursing.
- Click for the [Specialist Teacher Advisory Service](#), The Specialist Teacher Advisory Service (STAS) is a specialist multi-disciplinary team, who aim to share expertise by working in partnership with families, children or young people and educational staff. STAs aim to build capacity, act as advocates and promote quality provision and inclusion in all educational settings.
